Court of Appeals No. A161077

ORDER OF DISMISSAL

Counsel for respondent Oregon Department of Fish and Wildlife and Fish and Wildlife Commission, has informed the court that this judicial review is probably moot. The Oregon Cattlemen's Association and the Oregon Farm Bureau Federation join in the notice of mootness. Respondents bring to the court's attention that on March 14, 2016, Governor Kate Brown signed HB 4040, ratifying the agency's amendment to OAR 635-100-0125, which amendment is the subject of this judicial review, thereby rendering petitioners' challenge to the amendment moot.

The court concurs that the enactment of HB 4040 renders the judicial review moot and dismisses the judicial review on that ground.

Judicial review dismissed.
